

Generation

WALKER BAY

A New Generation of Luxury RIB Tenders

Walker Bay ushers in a new era of style, sophistication and performance in luxury yacht tenders. With elegant European styling and a sporty wide-body frame, the Generation is sure to exceed your expectations in both form and function. With detailed attention to hull design and hydrodynamics, the Generation outperforms its class with incredible handling at high speeds, while the spacious interior of the open cockpit design affords ample space for cargo and crew.

**Generation. Because it's not how you got to where you are.
It's the style in which you arrive.**

Console

Ergonomic console provides more legroom and features a substantial windscreen and a large dash for gauges and accessories.

Deep V-Hull

Deep V-hull with hard chines provides soft ride through chop and superior maneuverability.

Generation

Hydraulic Hatch

Ample hidden storage throughout including a push button hydraulic stern hatch.

Bow & Stern Steps

Bow and stern steps feature teak inlay and pop-up cleats. The bow step also comes equipped with led lights.

Bench Seat

Stern bench seat with padded sides provides cushioning on turns & offers a comfortable armrest for driver and passenger.

Sun Bed

Wide-body open cockpit design with "L" shape sunbed results in a spacious walk through interior with plenty of seating.
